

## WHOLESALE CATALOG: NOMENCLATURE COLLECTION

It’s the summer of 2022, and we have arrived. Skidding in, wide-eyed, gently bruised, and by the skin of our teeth but we’re here. Born out of a global pandemic, when jobs were tenuous, we collectively had no extracurricular activities, and creativity was either sky-high or utterly smothered—the Nomenclature Collection is our tenacious “hello” to this new world. A greeting card for when it is impossible to hug a friend, a candle to light while you spend the day at home, a bandana to adorn your neck for a walk around the neighborhood, and shoelaces to tie on when you need to run away. A set and system of carefully curated goods + magic for your home + life from your friends at Beside Ourselves.

*POLICIES: Our wholesale minimum is \$200, plus shipping or a \$20 local delivery fee. We offer free local delivery for orders over \$300. Submit orders at [besideourselvesshop.com/wholesale](https://besideourselvesshop.com/wholesale) with the item SKUs listed below. An invoice will be sent to you within 48 hours for approval and payment.*
